Hey I've got something to say to you  
You don't even know my name  
I can't be what you want me to be  
Listen up i'm not gonna change & i won't be ashamed

I'll stay up all night  
Get into a fight  
I don't care about the clothes that i wear  
I'll tear it up, down, all around  
One things for sure  
I'm gonna live my life like a rock n' roller

I try & try to get it thru to you you're gonna  
Grow up while you're young no time for a  
Good time well at least i'm having fun  
We're gonna break all the rules we're livin' for  
Today not gonna waste my time or waste my  
Life away

I'll stay up all night  
Get into a fight  
I don't care about the clothes that i wear  
I'll tear it up, down, all around  
One things for sure  
I'm gonna live my life like a rock n' roller

I'll stay up all night  
Get into a fight  
I don't care about the clothes that i wear  
I'll tear it up, down, all around  
One things for sure  
I'm gonna live my life like a rock n' roller

Hey i've got one thing to say to you  
You & I are not the same you live your  
Life and i'll live mine i'm not gonna change  
My ways i'm thru livin' for tomorrow cause  
I'm livin' for today

I'll stay up all night  
Get into a fight

I don't care about the clothes that i wear  
I'll tear it up, down, all around  
One things for sure  
I'm gonna live my life like a rock n' roller  
Live my life like a rock n' roller  
Live my life like a rock n' roller  
Live my life like a rock n' roller  
Live my life like a rock n' roller
