I see you across from the room in the corner
You're lookin' pretty good as i move in closer
Can't get enough of this sudden attraction
Come on now baby because i'm askin'

I think you were giving me a once over
I saw you checkin' me out and i'm gonna
Make the most of this sudden attraction
If i knew better i'd think you were makin'

A move on me in the right direction
Move on in because i'm not waitin'
Come on now baby because i'm askin'
The time is right for this sudden sudden attraction

I look at you and you lok away
It's funny how we playin' games
You know when it's a sudden attraction
Cause i'm afraid of your first reaction

I think you were reading my mind before
When our eyes met my heart hit the floor
Gonna make the most of this sudden attraction
Come on baby i think you were makin'

A move on me in the right direction
Move on in because i'm not waitin'
Come on now baby because i'm askin'
The time is right for this sudden sudden attraction

And you were lookin' good
And i was lookin' for a good time
And i was feelin' bad cause i remember the last time
But then you took my hand and you said let's get outta
here
And then you ran away and you left me standing here
Gonna make the most of this sudden attraction
I'm gonna make the most of this sudden sudden
attraction

I think you were checkin' me out before

When oureyes met my heart hit the floor
I'm gonna make the most of this sudden attraction
Come on baby i think you were makin'

Gonna make the most of this sudden attraction
Gonna make the most of this sudden attraction
Gonna make the most of this sudden attraction
Gonna make the most of it gonna make the most
Gonna make the most of this sudden sudden attraction
