Leaving on a first plane home
My trials are over
Mr. Pilot, take me back
It's in your power

Take me to the one I love
Stayed here long enough
I long to be back home again

Little darlin', we'll be kissing
Little darlin', you'll be missing
Little darlin', all my love for you

Little darlin', I'm so homesick
Little darlin', coming back quick
Little darlin', bringing love for you

I long for your warm touch
Skyways and byways
Lyrics
Reach out for my soul
Skyways and byways

We'll hide ourselves always
With you I'll always stay
I need to touch your soul again

Little darlin', we'll be kissing
Little darlin', you'll be missing
Little darlin', all my love for you

Little darlin', I'm so homesick
Little darlin', coming back quick
Little darlin', bringing love for you

Little darlin', viens dans mes bras
Little darlin', j'ai envie de toi
Little darlin', all my love for you

Little darlin', we'll be kissing
Little darlin', you'll be missing

Little darlin', all my love for you

Little darlin', yo te quiero
Little darlin', pronto vuelvo
Little darlin', all my love for you

Little darlin', I'm so homesick
Little darlin', coming back quick
Little darlin', bringing love for you
