(A door opens)

Guy: Hey. What are you doing here?

Girl: Just comin to see you.

Guy: OhÂ...Now is not a good time.

Girl: Why not?

Guy: Cuz I think we should see other people.

(Door slam)

Verse 1:

60 seconds before, you walked through that door

You thought to yourself, what a wonderful man.

Then he suddenly let you down

Goes for this girl, when you ain't around

Just go toÂ...

(Chorus)

The heartbreak repair shop

IÂ'll make you stop crying

And start shining that great big smile.

Leave back your loneliness, and IÂ'll give you love

Cuz IÂ'm the heartbreak repair shopÂ...

Come get repairedÂ...

Verse 2:

You try to fear, or shed a tear

Because he left you, right there all by yourself.

And you finally figured out,

What your boyfriend, is really about.

Come on inÂ...Â...Â...

(Chorusx2)
