is there a way to get away from  
the worst of it all to consume my fall  
i keep runnin' away but i'm going nowhere  
just hiding myself i can feel them stare

there must be a way to get out of here  
no friends i can call we don't talk anymore  
but i'm losing myself as i'm taking your hand  
its too easy to do cause you don't understand me

no direction  
where will i go will i find anyone  
no direction  
they say its up to me  
no direction  
where will i go will i find anyone  
no direction  
they say its up to me

I try every day to just find a way to make  
it through & to stay with you but i'm  
losing myself as i'm taking your hand  
its too easy to do you don't understand

I try everyday to just find a way to  
figure it out what this lifes all about  
but i can't take anymore i've done what i can

please leave me alone cause you don't understand me

no direction  
where will i go will i find anyone  
no direction  
they say its up to me  
no direction  
where will i go will i find anyone  
no direction  
they say its up to me

is there a way to get away from  
the worst of it all to consume my fall  
i keep runnin away but i'm going nowhere

just hiding myself i can feel them stare

there must be a way to get out of here  
no friends i can call we don't talk anymore  
but i'm losing myself as i'm taking your hand  
its too easy to do cause you don't understand me
