hey I've got something to say to you
you don't even know my name
i can't be what you want me to be
listen up i'm not gonna change & i won't be ashamed

I'll stay up all night
get into a fight
i don't care about the clothes that i wear
i'll tear it up, down, all around
one things for sure
i'm gonna live my life like a rock n' roller

I try & try to get it thru to you you're gonna
grow up while you're young no time for a
good time well at least i'm having fun
we're gonna break all the rules we're livin' for
today not gonna waste my time or waste my
life away

I'll stay up all night
get into a fight
i don't care about the clothes that i wear
i'll tear it up, down, all around
one things for sure
i'm gonna live my life like a rock n' roller

I'll stay up all night

get into a fight
i don't care about the clothes that i wear
i'll tear it up, down, all around
one things for sure
i'm gonna live my life like a rock n' roller

hey i've got one thing to say to you
you & I are not the same you live your
life and i'll live mine i'm not gonna change
my ways i'm thru livin' for tomorrow cause
i'm livin' for today

I'll stay up all night
get into a fight

i don't care about the clothes that i wear
i'll tear it up, down, all around
one things for sure
i'm gonna live my life like a rock n' roller
live my life like a rock n' roller
live my life like a rock n' roller
live my life like a rock n' roller
