Oh...I, I...I

I wanna be bad with ya baby
I, I, I, I, I wanna be bad with ya baby

Do you
Understand what I need...from you?
Just let me be the girl
To show you you
Everything that you can be
Is everything I can be
(I wanna be) - My touch
Let me let you know that I, I can
Promise that I won't do that
So boy say the time and place
Cuz you make me wanna misbehave

Chorus:

I wanna be bad
You make that look so good
I've got things on my mind
I never thought I would
I, I wanna be bad
You make that feel so good
I'm losing all my cool
I'm about to break the rules
I, I wanna be bad
I wanna be bad with ya baby
I, I, I, I, I wanna be bad with ya baby

Whats up?

Tell me what to do
How to be
Teach me all you're words from A to Z
But I
Don't want you're other girl to see
That you're messin' 'round with me
Should I boy
Tell ya what I got is what you want
Tell, tell me
Do I turn you on?
I don't want no one judging me

Chorus:

I wanna be bad (be bad)
You make that look so good (ooo)
I've got things on my mind (mind)
I never thought I would (never thought I would)
I, I wanna be bad
You make that feel so good
I'm losing all my cool
I'm about to break the rules (bout to break the rules)
I, I wanna be bad

I wanna be bad witcha baby (I wanna be bad with you)
I, I, I, I, I wanna be bad witcha baby
I, I, I, I, I wanna be bad witcha baby (I wanna be bad)
I, I, I, I, I wanna be bad witcha baby
I, I, I, I, I (ooo) wanna be bad

You make that look so good (you make that look so good)
I've got things on my mind
I never thought I would (I never thought, I never thought I would)
I, I wanna be bad
You make that feel so good (make that look so good)
I'm losing all my cool
I'm about to break the rules (about to break, about to break)
I, I wanna be bad
You make that look so good
I've got things on my mind
I never thought I would
I, I wanna be bad
You make that feel so good (feel so good)
I'm losing all my cool
I'm about to break the rules (break the rules)
I, I wanna be bad
