Now

I can trust you now  
As I feel at ease  
How lost in you  
Should I be

Now

I can see you clear  
As the day begins  
How lost in this  
Should we be

Share

And say you'll bring  
To me deep love  
You can't say that it's too soon to say how you feel  
Share and say you'll bring  
To me deep love  
Just don't say that it's too soon to say how you feel

Now

As I touch you here  
As the day begins  
How lost in this  
Should I be

Share

And say you'll bring  
To me deep love  
You can't say that it's too soon to say how you feel  
Share and say you'll bring  
To me deep love  
Just don't say that it's too soon to say how you feel

....

Share

You say you'll bring  
To me deep love  
You can't say that it's too soon to say how you feel  
Share and say you'll bring  
To me deep love

Just don't say that it's too soon to say how you feel

Share

And say you'll bring

To me deep love

You can't say that it's too soon to say how you feel ...
