

## Mandalay "Enough Love"

Come  
Like a baby to the breast  
Every inch of you to test my skin

You  
Deepen cracks and pour in more  
Still standing at the door in tears

And I feel  
And do you feel  
Enough love

Or do you feel  
Or do you feel  
Enough love is too rare

Still  
Leaving me untied in hands  
That you tied and locked away alive

Here  
I can't stand another scene  
Can't face another day  
In here

And I feel  
And do you feel  
Enough love

Or do you feel  
Or do you feel  
Enough love is too rare

Do I feel  
Do you feel  
Enough love

Or do you feel  
Or do you feel  
Enough love is too rare

You could weather me if I turned to stone

If I turned to stone something like a statue  
You could keep me hidden in your garden  
Then no-one need ever know

And I feel  
And do you feel  
Enough love

Or do you feel  
Or do you feel  
Enough love is too rare

Do I feel  
Do you feel  
Enough love

Or do you feel  
Or do you feel  
Enough love is too rare
