(metallic voice)

All turning back to your life
All in vain
All coming back here to me
All in vain

All knowing all innocence
All in vain
All giving all suffering
All in vain

Here love is all you need
Here love is all you need
Here love is all you need
Here love is all you need

Keep hearing your inner voice
Only dear
Keep hearing your inner thoughts
Only dear

Keep selling your inner life

Only dear
Keep telling your little lies
Only dear

Here love is all you need
Here love is all you need
Here love is all you need
Here love is all you need

Here love is all you need
Here love is all you need
Here love is all you need
Here love is all you need

(metallic voice)

Here love is all you need
Here love is all you need

Here love is all you need
Here love is all you need
