I'm here once more  
Right back where I started  
At the wrong door  
Alice in no man's land

I've been here before  
It wasn't what I needed  
I'm so damn lost  
Alice in no man's land

Chorus:  
There are no plans  
When it's out of your hands  
Only fake statues  
Left on stands  
I wish I'd been born a dancer  
I looked to the queen of hearts  
For an answer

Down the rabbit hole  
I keep getting deeper  
I'm on my own  
Stuck here in no man's land

Am I getting warm?  
Am I getting closer?  
I've come this far  
Can't stay here in no man's land

(Chorus)

Don't let them change you  
Or rearrange you  
A pool of tears  
Will rain down on you  
When they find you  
They'll remind  
You  
Of everything  
You'll never be  
To them

(Chorus)

But she didn't know  
The way  
Back home
