I'm in love
I am happy
It's the most stable
I've ever been

It's not you
That's lacking
It's just the way
I've always been

I feel the trust in your eyes

Chorus:
But I'm condemned
An empty building
There is nothing here for you
I'm condemned
I have no feelings
I don't deserve you
Stay away
I'll only hurt you

I am ruthless,
Wicked bitch
Shiny girl, pretty
A perfect lie

I'm alone
I am waiting
I am bleeding for you,
But I can't cry

I feel the trust in your arms

(Chorus)

You were warned
You saw the signs
I told you
A thousand times
Did you think

That you could change me?

(Chorus)

I'm condemned

Stay away

Stay away

From me
