"Why"

Visit "[Why](#)" on MotoLyrics.com

You confuse me
With the many faces
That you wear

You amuse me
By pretending
That you don't care

I have waited
For this moment
To disappear

You contemplated
For too long
I'm gone, I'm moving on
You can't keep doing this to me

Chorus:
Why do you take me for granted?
(Why do you do this to me)
Why won't you try to let me in?

Just let me in
Let me in

You are making me
Crazy

You are learning
What your life would be like
Without me

I am burning
But I can't let go
You have to know that you
Are killing me

(Chorus)

Let me in...
Let me in...

Cause I have waited
For this moment
To disappear
You contemplated
For too long
I'm gone, I'm moving on
You can't keep doing this to me

(Chorus)

Why do you take me for granted?
You confuse me
