"Why Pretend"

Don't look at me
I know what you've done
When the night falls
She's not the only one

It's been the same
For a thousand years
You won't change your ways
No one seems to care

Chorus:
She is lying to herself again
You don't love her
Why pretend?
You are lying to yourself again
You don't love her
Why pretend?

I know the truth
I'm not blind, you know
I keep telling you
It's time to let her go

I'm a bad friend
You know it's true
For the guilt I feel,
I blame you

(Chorus)

She doesn't notice
What everyone around her
What everyone around her sees
Why won't she focus?
You only give a shit
When she's on her knees

(Chorus)

She wants your ring
She'll do anything

To tie you down
She'll ignore where you've been

She wants your ring
She'll do anything

She'll turn away
And pretend you love her

She'll pretend
