It's too much, more than I can take  
I saved it up through one rainy May  
There's no such thing as an  
Honest mistake

Did you know?  
Did you know?  
Did you know?

How

Chorus:  
I fall down  
I'm more than pieces  
I fall down  
And there's no reason  
For me

To sit around and wait for June  
Maybe the sun will align with the moon  
I just hope it gets here soon

Did you know?  
Did you know?  
Did you know?

Chorus:  
I fall down  
I'm more than pieces  
I fall down  
And there's no reason  
For this

Can you hear me?  
I'm still standing  
Can you hear me?  
I am strong

Cause I believe  
Even when

I fall down

I fall down  
I'm more than pieces  
I fall down, down, down, down,  
I fall...

DOWN

Stand up  
Stand up  
Be strong  
Stand up  
Stand up  
Be strong

Don't let them take you down  
Don't let them fake you  
By pushing you around  
Don't you let them take away  
Your sound

Just believe  
You can believe  
If you stand strong
