I was so helpless
Where did the light go?
I had no hope left
Deep down in my soul
I was watching, I was waiting
I was praying
I was staying down on my knees
That's right where you found

Chorus:
My deliverer
You rescued me
From all that held me captive
My deliverer
You set me free
Now I'm alive and I can live
So every moment I will give you praise
My Deliverer

There's no pretending
I can't do it myself
I'm so dependent
Lord, I need your help
I'll be watching, I'll be waiting
I'll be praying
I'll be staying down on my knees
That's right where you'll find me
Chorus:
My deliverer
You rescued me
From all that held me captive
My deliverer
You set me free
Now I'm alive and I can live
So every moment I will give you praise
My deliverer

La, la, la, la I need you
You know whatever I'm going through
I'll be watching, I'll be waiting
I'll be praying
I'll be staying down on my knees

That's right where you'll find me...

Chorus:

My deliverer

You rescued me

From all that held me captive

My deliverer

You set me free

Now I'm alive and I can live

So every moment I will give you praise

My deliverer
