If You could send a burning bush to Moses  
Lead Your people home through a parted sea  
Give a boy the strength to defeat Goliath  
I know You will always take care of me

With You on my side, I am victorious  
With You on my side, I've got nothing to fear  
So I can walk through this valley with confidence  
Knowing You will deliver me

If You could raise the dead bones of Lazarus  
If You could feed five-thousand with a couple fish and  
a loaf of bread  
And in the middle of a stormy night You can walk on  
water  
I know, I know, I know nothing's out of Your hands

[Chorus]

If You could pull me out of my sin  
And give me new life within  
And keep all Your promises  
And Your Word is true then  
I don't have to be afraid  
I know this is the day You made  
So no matter what comes my way

[Chorus]
