

Cinerama "Comedienne"

Visit "[Comedienne](#)" on MotoLyrics.com

You know that I've had
My suspicions all along
Well, would you be here now
If something wasn't wrong?

Your heart broke and you still joke
'Cause you're such a comedienne
But that creep made you weep
Don't laugh it off again

Oh, just forget the things he said
And get into bed

He never loved you
And deep down you know I'm right
If you don't want to go back home
Just stay the night

Oh, I'm not joking
'Cause you're the comedienne
No I mean it, I've seen it
Now I want to see you smile again

Oh, just forget the things he said
Get into bed

You want to leave him
And you're looking for excuses
That's why you're here
I guess us old friends have our uses

But we could, oh we should
Lie down here, you won't regret it
Stay near me, do you hear me?
Oh, I'm sincere, now come and get it

Oh, just forget the things he said
Get into bed
