

Cinerama "Pacific"

And what she gets she doesn't want
And what she gets she doesn't want
We swam across the bay
A single Ãplane flew across the sky
Then we lay on our backs and made pictures with the
clouds
I tasted the ocean when I kissed her fingers
And what she gets she doesn't want
And what she gets she doesn't want
A warm breeze carried her scent to me
She said: Ãi know I've hurt youÃ
She took my hand and sighed
Ãbut in the middle of the night you will think of
meÃ
