You always seem to laugh  
For every photograph  
If I didn't know you better  
I'd say you were flirting with the males  
Because, oh, it never fails  
To make them stare, etc.

But the ploys of womankind could not be  
Further from your mind  
That's never your intention  
So I'm always amused  
Whenever you are left confused  
At being centre of attention

And darling, I just can't think clearly  
It happens when I'm in your arms  
And my heart is pounding  
How pathetic is this sounding?  
I'm unquestionably  
Captivated by your charms  
And the way you thrill me  
I think I always will be

Now you're tossing back your hair  
And you're completely unaware  
Of how they're drooling over you  
And it is no coincidence  
Yes, it's your very innocence  
That makes them act the way they do

And darling, I just can't think clearly  
It happens when I'm in your arms  
And my heart is pounding  
How pathetic is this sounding?  
I'm unquestionably  
Captivated by your charms  
And the way you thrill me  
I think I always will be

I just can't think clearly  
It happens when I'm in your arms  
And my heart is pounding

How pathetic is this sounding?  
I'm unquestionably  
Captivated by your charms  
And the way you thrill me  
I think I always will be
