Verse 1:

Been a hard one, Been a bad one
Been a tough one, Been a sad one
It's been one of those days that keeps chipping away at
my heart
Nothing new here, so what I do here
It's a stereo-typical day, in the life
I'm surrounded by all of the pain and the strife
But I know it's alright, woah oh

Chorus:

Cause it's only the world I'm living in
It's only the day I've been given
There ain't a way I'm giving in
Cause it's only the world (only the world)
I know the best is still yet to come
Cause even when my deeds in the world are done
It's gonna be so much more than only the world to me
Do do do do do do do do do, yeah it's only the world

Verse 2:

Anybody can you hear me?
Do you feel me? Me, can you feel me?
I know I'm not the only one wearing the weight of this
world
We got problems (said it's alright)
Just remember (yeah, it's alright)
Take a good around we're just stuck on the ground for
a little while
Don't it make ya smile.

Chorus:

Cause it's only the world I'm living in (Yeah)
It's only the day I've been given (Given)
There ain't a way I'm giving in
Cause it's only the world (only the world)
I know the best is still yet to come
Cause even when my deeds in the world are done
It's gonna be so much more than only the world to me
Do do do do do do do do do, yeah it's only the world
Do do do do do do do do do, yeah it's only the world

Bridge:

Heaven is a place where the tears on every face will be
wiped away

Oh and I can't wait to go, but for now it's enough to
know,

This is only temporary, this is only

Chorus:

Cause it's only the world I'm living in

It's only the day I've been given

There ain't a way I'm giving in

Cause it's only the world (only the world)

I know the best is still yet to come

Cause even when my deeds in the world are done

It's gonna be so much more than only the world to me

Cause it's only the world I'm living in

It's only the day I've been given

There ain't a way I'm giving in

Cause it's only the world (only the world)

I know the best is still yet to come

Cause even when my deeds in the world are done

It's gonna be so much more than only the world to me
