Some people try to listen, to the bottom of a bottle
Some people try to listen, to a needle in their arm
Some people try to listen, to the money in their pocket
Some people try to listen, to another's arms

{Chorus}

You and I are not that different
We got a void and we're just trying to fill it up
With something that will give just a little peace
All we want is a hand to reach to
Open arms that say I love you
We'd give anything to hear
The voice of a Savior

Some people try to find it with blind ambition
Some people try to find it where no one else has gone
Some people try to find it in the crowns of victory
Some people get defeated and lose the strength to
carry on

{Chorus}

Some people try to find it in the shadow of a steeple
Some people try to find it in the back row pew
Some people try to find it in the arms of Jesus
That's where I found it, how about you?

{Chorus}
