Bad boy Jimmy says where it's at?  
Down the hallway of kids playing flipper with the Jax  
And the tax for the trench coat I bought  
Measures up for the fines that we paid today

And for those who couldn't run away  
Well they got beaten up and thrown in jail

And we never cut the hope  
'Cause we never cut the rope

Here's your money for all that I've done  
E's and lizards broken pistols and the promised about  
the sun  
Get it on All this brag about us  
Measures up for the shit that we wrote today

And for those who couldn't get away  
Well they got beaten up and thrown in jail

And we never cut the hope  
'Cause we never cut the rope

No the bastard's on their way  
Ooh they have been reading too much crappy but then  
again  
I ain't that lucky bloke they've read about  
I am a lone star cut it again, again, again, again, yeah

Bad boy Jimmy says how do you do?  
Down the hallway of kids playing poker with the fools  
And they loose every dime they've got  
But it's good for us 'cause we got paid today

And the brothers that can't get away  
Well they got beaten up and thrown in jail

And we never cut the hope  
'Cause we never cut the rope  
And we never cut the hope  
'Cause we never cut the rope

And we never cut the hope  
'Cause we never cut the rope  
And we never cut the hope  
'Cause we never cut the rope
