I caught a zombie he was stuck in the night  
his sweat was melting from the sun in my eyes  
I guess I'm 'bout to fall -  
the moonshine fever

I met my maker in the deepest of dreams  
my eyes was burning from a movie I've seen  
I guess I'm 'bout to fall -  
the moonshine fever

Now I don't want you to walk away  
I'm not as bad as it may seem  
I just got lost today  
and now there's no more way home -  
the moonshine fever

He's got a fire made massive concrete  
he blows your head off if your drinking to neat  
there is no way he will pay you back  
for destroying your life  
my god I'm bound to fall -  
the moonshine fever

She want to wake up from this horrible dream  
but there is nothing you can do to your friend  
he'll never let you go -  
the moonshine fever
