Mr Moon, Mr Moon maybe your time is coming
Mr Moon, Mr Moon what's happening in the room?
We'll search our hearts before you die, let the times
fade away.
It was given as a promise to each and every man.

I wanna love you but i'm growing old
Ten little soldiers screaming in my soul.
Will she come over when it's time to go,
come on and show me little
drummerboy, no
Mr Moon, Mr Moon, Mr Moon

Sad but true, sad but true
You're telling me what to do
I've learned my lesson, that stupid question
Now it hurts my pride

And you're a girl, a serious girl
Showing me the world
Oh my love, you're so tired
But you must think quiet
I wanna love you but i'm growing old
Ten little soldiers screaming in my soul.
Will she come over when it's time to go,
come on and show me little
drummerboy, no
Mr Moon, Mr Moon, Mr Moon.
Hey, hey, heeey.....
Mr Moon, Mr Moon, Mr Mooooooooooooooooon.

I wanna love you but i'm growing old
Ten little soldiers screaming in my soul.
Will she come over when it's time to go, come on and
show me little
drummerboy.

I wanna love you but i'm growing old
Ten little soldiers screaming in my soul.
The day is using up it's final breath
I've never been so sure I've never doubted you,
Mr Moon, Mr Moon, Mr Moon.
