Stick around your neck
and see what it can bring
Lonely stands the butcher on the ground
Little angel fly,
fly among the stars
Jupiter will comfort you with love

So who are you gonna follow
Are you going out somewhere
Can it be the new thing
money enough
Where's that hat you loved once
Let us spoil it for a day
Bring 'em in she said
just for a day
Just for a day

On the way to you
between busy moon
Crash beneath a window left in bloom
The days are few my friend
and winter comes again Clap, clap
and the boy is to lose
So who are you gonna follow
Are you going out somewhere
Can it be the new thing
money enough
Where's that hat you loved once
Let us spoil it for a day
Bring 'em in she said
just for a day
Just for a day

Bring 'em in she said
I said just
bring 'em in she said
Ringing bells in Saxton and Oakland
bringing you home
Ringing bells in Saxton and Oakland
bringing you home
Ringing bells in Saxton and Oakland
bringing you home

Ringin' bells in Saxton and Oakland
bringin' you home
