I, I'm glad to know my time is right
I've had it all before
We'll we hoping every day for peace
You've heard it all before

We'll celebrate this one day
Someday we'll go home
Surreal dream will take you one mile
Slipping trip well I know

Giving you another cup of coffee
Giving you another cup of tee
I've giving you another cup of surreal
Giving you another cup of me

Well I'm Giving you another cup of coffee
I offer you another cigarette
Giving you another cup of surreal
The surreal dream you haven't seen it yet
But I Know I've had it all before

I, I offer her the same old trip
She's done it all before
We'll we one day like the same pair of shoes
You wear them all before

So we'll take this glass of pain
And on our way back home
Surreal dream will take you on mile
Slipping trip well I know

I'm giving you another cup of coffee
I've giving you another cup of tee
I've giving you another cup of notion
I've giving you another cup of me

Well I'm giving you another cup of coffee
I offer you another cigarette
Giving you another cup of surreal
The surreal dream you haven't seen it yet
But I Know You've had it all before

Well I know You've had it all before.
