Livin' your life was callin' you bein' arisen you are lost
in the dark...you have a mind and deep inside you
could have learnt without choosin' to die...only this time
can change your mind, only your faith can make you
fly, only this time can take you higher, you a
Only this time can change your mind you can't live
without your sighs I lost my life to save my pride
believe in all my cryin' Live in all my cryin'...live without
your sighs only your faith can make you fly you have
feigned to say your lies I can live without your eyes I see
the twilight in your sigh....
