Who melts with me in a grave...
Lightnings light my shade...
...You spectral life of fade.
I can feel your grace.

Leakin' of life,
Livin' my blight time,
leadin' your eyes.
veilin' my heart, I cry...

...I can feel lost inside my way...
Breathin' your night,
I see my mad blood
burnin' your might.
it's burstin' through your half-light,

like a gravestone's enlightenin' sigh.

Pale misty lane of pain,
Lightnings light my shade...
now brings me down insane,
I can feel your grace.
leavin' a smell of rain...

Leakin' of life,
Livin' my blight time
leadin' your eyes.
and veilin' my heart, I cry...

I can feel lost inside my way...
Breathin' your night,
I see my mad blood
burnin' your might.
it's burstin' through your half-light,

like a gravestone's enlightenin' sigh.

Lucifer's groan, inside my heart can show me a white,
lowland of snowy life, that will rise in your hands.

It's time to go...

Vivid of light you can't deny,
Now that it's time to go!
In my mind I'll rape your love...
Hear me!
through the night.
Callin' you tonight.

Who melts with me in a grave...
Lightnings light my shade...

You spectral life of fade.....
