Tear and pain
Rollin' down
while my caves find the light...
I feel you try,
come with me...
If you want
to see my deer
come inside...
If you want
to see my door
come inside
come through the light
and lay your scythe
and see your death...
Hell and Dark
Heaven and Light...
seem to be the way to ...
Save your soul
Save your mind
It's not the blame
that wounds your pride
headlong, headlong, never mind...

You know why, I'm still waitin'
with my Gifts
Fairy-Tales and burnin' Love
In Caves of Hell
Hell
Amid dust and howls of your dark pain
all your fears are screamin' aloud...
Tears of pain
Rollin' down
while my caves find the light...
If you want
to see my door...
Come inside
come through the light
It's not the blame
that wounds your pride
headlong, headlong, never mind...

headlong, headlong, never mind...
never mind...
