Bertini/Bucci

In a savourin' senses' worns
Lovin' the love of death
you can take me away
with no life to nowhere
In my dark waitin' hell
In the land of the night-shades
you can change my desires
and my dark Fairy-Tales
Now I'm goin' to bounds
of the reason of my life
and its starry of falls
dreamin' my soothsaying'...

Down, now I'm fallin' in your mind...
Callin', callin' vision in your head,
It's so hard to be strong
and standin' in your place
Call your faith..!
In a savourin' senses worns
in the land of the Night-Shades

you can change my desires
with no life to nowhere
In my dark waitin' hell
In the land of the starquake...
you can make all the Spells...
to reach your Lightnin' Tales
Now I'm walkin' across
through the river of passion...
ravin' down in your head
your prayers
Down, now I'm fallin' in your mind...
Callin', callin' vision in your head, It's so hard to be
strong
and standin' in your place again...
Call your faith!
Callin', callin' vision in your mind,

It's so hard to be strong
Callin'

Callin'
