(Writer: H. Howard)

I wish that I could fall in love today

But memories of you stand in the way

And I just can't make my heart find someone new

'Cause it's always much to busy lovin' you

Chorus:

Each night I pray I'll wake at dawn and find

Another in my heart and on my mind

Then I awake I hear my poor heart say

I wish that I could fall in love today

I wish that I could fall in love today

But if I did I know I wouldn't stay

'Cause you'd come between us like you always do

Somehow they never measure up to you

Repeat Chorus:

Oh I wish that I could fall in love today
