How many days...

How many ways...

Do I have to lose you

'Til you're gone?

How many nights...

How many lonely nights...

Do I have to lose you darlin'

'Til you're gone?

Bridge 1:

It happens every time

I think I'm gettin' over you

Something 'bout somebody new

Gets me thinkin' about you

Chorus:

How many times...

How many times...

Do I have to lose you

'Til you're gone?

Bridge 2:

I see you on the Late Show

I hear you on the radio

Darlin' everywhere I go

Your memory is there

Repeat Chorus:

(How many times?) I wanna know.....

(How many times?) Do I have to lose you Darlin'... 'til
you're gone?

(How many times?) How many days.....how many
nights.....'til you're gone?

(How many times?) I wanna know.....

(How many times?) I wanna know Darlin'.....
