R-R-R-Read my mind
Let's go
Keep it right
Keep on moving

I want it loud
Can feel the bounce
I need release (come here with me)
I want it loud
Can feel the bounce
I need release (come here with me)

I want it louder and louder
Just keep me going and going
I promise the neighbours will know my song
Louder and louder
Just keep me going and going
Playing on the radio

You feel the midnight
Running thru your veins
You can read my mind
Written in the stars

You feel the midnight
Running thru your veins
You can read my mind
Written in the stars

You feel the midnight
Running thru your veins
You can read my mind
Written in the stars

You feel the midnight
Running thru your veins
You can read my mind
Written in the stars

Feel the Midnight night night
Read my mind
Feel the Midnight night night

Read my mind
Feel the Midnight night night
Read my mind
Feel the Midnight night night
Read my mind

The speakers blow
My rythm flows
Iâ€™™ Il make you work
Drive you bizerk
The speakers blow
My rythm flows
Iâ€™™ Il make you work
Drive you bizerk

I want it louder and louder
Just keep me going and going
I promise the neighbours will know my song
Louder and louder
Just keep me going and going
Playing on the radio

You feel the midnight
Running thru your veins
You can read my mind
Written in the stars

feel the midnight
Running thru your veins
You can read my mind
Written in the stars

Running thru your veins
You can read my mind
Written in the stars

You feel the midnight
Running thru your veins
You can read my mind
Written in the stars
