Thought I could grow up to be the kind of girl
who'd never lose control.
Didn't need protection from the big
bad world

but how was I to know -

That some day I'd meet a man like you
who would love me forever
and turn me into a helpless victim of pleasure
all night long -

I'll be your victim
victim of pleasure

I wanna be your victim
victim of pleasure.

Maybe i'm a prisoner in a tender trap
from which there's no escaping.
You're in my system
there's no turning back

and like a leaf I'm shaking.

Hold me
just lock me in your arms
promise we'll be together
and I will be your helpless victim of pleasure
all night long -

I'll be your victim
victim of pleasure

...

hold me
just lock me in your arms

promise we'll be together...

I'll be your victim
victim of pleasure

...

I'll be your victim
victim of pleasure
