You always said you'd she'd a million teardrops
If we should part, if ever we should part
But now you're gonna leave me high and dry
So, goodbye baby, Don't Forget To Cry
The tears you she'd would build a brand new river
If we were through, if ever we were through
But now somebody new has caught your eye
So, goodbye baby, Don't Forget To Cry

But now somebody new has caught your eye
So, goodbye baby, Don't Forget To Cry

The tears you she'd would build a brand new river
If we were through, if ever we were through
But now somebody new has caught your eye
So, goodbye baby, Don't Forget To Cry
