Thin and long  
He was a ticking bomb  
Gutter Mouth  
Bred in the deeper South  
Billy Bones  
As he was always known  
Was a horror of a human being  
Hand grenades  
Rockets and razor blades  
Fifty tins  
Of nitro glycerine  
Billy Bones  
Spent all his time a lone  
Lost in pyrotechnic dreams  
Billy Bones  
What an awful creature  
(Billy Bones...)  
He's so full of sin  
Billy Bones  
Better get the preacher  
'Cause when the sun goes down  
Billy does evil things  
Breaking news  
Billy has blown his fuse  
Out of hell  
Into a padded cell  
Billy Bones  
Throwing sticks and stones  
When the doctors came to take him in  
(What a naughty boy...)  
Billy bones  
What an awful creature  
He's so full of sin  
Billy Bones  
Better get the preacher  
Cause when the sun goes down  
Billy does evil things  
Billy Bones  
What an awful creature  
He's so full of sin  
Billy Bones  
Better get the preacher

Cause when the sun goes down  
Billy does evil things  
Cause when the sun goes down  
Billy does evil things  
Cause when the sun goes down  
Billy does evil things  
(What an awful creature)  
Billy Bones  
(Better get the preacher)  
Billy Bones  
(What an awful creature)  
Billy Bones
