Out of my nightmares,  
Into my head lies,  
I see a little child,  
Making it hard for me,  
To hide,  
Out of my bloodstream,  
Onto my radar,  
Murdering you for miles,  
I feel uneasy as you cry,

Out of my nightmares,  
Into my head lies,  
I see a little child,  
Making it hard for me to hide,  
Out of my bloodstream,  
Onto my radar,  
Murdering you for miles,  
I feel uneasy as you cry,

I'm not a freak,  
I'm not a sadist,  
I'm just a little boy,  
Talking 'bout all that we've destroyed,  
Cranial beauticians,  
Working provisions,  
Filming a little while,  
I find it easier to smile,

Out of my nightmares,  
Into my head lies,  
I see a little child,  
Making it hard for me,  
To hide,  
Out of my bloodstream,  
Onto my radar,  
Murdering you for miles,  
I feel uneasy as you cry.
