The street lights could make me cry
And so could your empty eyes
I couldn't help you if you fell down
In this one suburban town
Im not strong enough to be your saviour
I can t take you that high
Im just an ordinary guy
Im not brave enough to be your hero
I've got nothing to hide
Im just an ordinary guy like you
Like you
There's nothing that you don't know
There's nowhere else left to go
Sorry to tell you the sad truth is
There's nothing more than this
Im not strong enough to be your saviour
I can't take you that high
Im just an ordianry guy
Im not brave enough to be your hero
I've got nothing to hide
Im just an ordinary guy like.....
You and your friends
And the man in the paper
The lady who drinks
Cuz her husband still hits her
A checkout chick
With great aspiration
Or ordinary girls and ordinary guys
Like you
Like you
Im not strong enough to be your saviour
I can't take you that high
Im just an ordinary guy
Im not brave enough to be your hero
I've got nothing to hide
Im just an ordinary guy
Im not strong enough to be your saviour
I can't take you that high
Im just an ordinary guy like you
Just like you
Im just an ordinary guy
