Spastic annie, spastic annie  
Spastic annie, spastic annie  
Strapped to a wheelchair  
Her body is broke  
She twitches and jerks  
She druels and she jokes  
But underneath everything  
She's quite aware  
Of what people say  
And hoe people stand  
But she doesn't care  
Spastic annie looks so pretty  
She talks to herself cuz there's nobody else  
Who'll listen to her crazy little words  
Tired of the sympathy  
Being left out  
The thoughts in her brain that twisted about  
So no matter what she does  
Or how she tries  
Nobody can tell  
What she feels inside  
Cuz her tongue is tied  
Spastic annie looks so pretty  
She talks to herself cuz there's nobody else  
Who'll listen to her crazy little words  
Annie, annie i'll ease your pain  
Spastic annie, spastic annie  
Spastic annie looks so pretty  
She talks to herself cuz there's nobody else  
Who'll listen to her crazy little words  
Spastic annie  
Spastic annie  
Spastic annie  
Spastic annie looks so pretty  
Spastic annie
