I'll always remember... it was late afternoon.
It lasted forever, but ended so soon.
Yeah You were all by yourself,
staring up at a dark gray sky,
I was changed.

Chorus

In places no one will find,
all your feelings so deep inside.
(Deep inside)
Was there that I realized that forever was in your eyes.
The moment I saw you cry.
(The moment that I saw you cry)

It was late in September and I've seen you before.
You were always the cold one
but I was never that sure
you were all by yourself,
staring up at a dark gray sky.
I was changed

Chorusx1

I wanted to hold you.
I wanted to make it go away.
I wanted to know you.
I wanted to make your everything,
All right.

I'll always remember it was late afternoon

Chorusx1

I think I saw you cry
The moment I saw you cry
I wanted to know you, i wanted to know you
