I'll always remember it was late afternoon
It lasted forever but ended so soon
Yeah, you were all by yourself
Staring up at a dark gray sky, I was changed

In places no one will find
All your feelings so deep inside
(Deep inside)

Was there that I realized
That forever was in your eyes
The moment I saw you cry
(The moment that I saw you cry)

It was late in September and I've seen you before
You were always the cold one but I was never that sure
You were all by yourself
Staring up at a dark gray sky, I was changed

In places no one will find
All your feelings so deep inside
(Deep inside)

Was there that I realized
That forever was in your eyes
The moment I saw you cry
(The moment that I saw you cry)

I wanted to hold you
I wanted to make it go away
I wanted to know you
I wanted to make your everything, all right

I'll always remember it was late afternoon

In places no one will find
All your feelings so deep inside
(Deep inside)

Was there that I realized
That forever was in your eyes
The moment I saw you cry

(The moment that I saw you cry)

I think I saw you cry

The moment I saw you cry

I wanted to know you, I wanted to know you
