We can never know about the days to come  
But we think about them anyway  
And I wonder if I'm really with you now  
Or just chasin' after some finer day

Anticipation  
Anticipation  
Is makin' me late  
Is keepin' me waitin'

And I tell you how easy it feels to be with you  
And how right your arms feel around me  
But I, I rehearsed those lines just late last night  
When I was thinkin' about how right tonight might be

Anticipation  
Anticipation

Is makin' me late  
Is keepin' me waitin'

And tomorrow we might not be together  
I'm no prophet and I don't know nature's ways  
So I'll try and see into your eyes right now  
And just be right here  
'Cause these are the good old days

These are the good old days  
And stay right here  
'Cause these are the good old days  
These are the good old days  
These are the good old days  
These are the good old days  
These are the good old days
