There's a song that's inside of my soul
It's the one that I've tried to write over and over again
I'm awake in the infinite cold
But you sing to me over and over and over again

So I lay my head back down
And I lift my hands and pray
To be only yours I pray, to be only yours
I know now, you're my only hope

Sing to me the song of the stars
Of your galaxy dancing and laughing and laughing
again
When it seems like my dreams are so far
Sing to me of the plans that you have for me over again

So lay my head back down
And I lift my hands and pray to be only yours
I pray to be only yours
I know now, you're my only hope

I give you my destiny
I'm giving you all of me
I want your symphony singing in all that am
At the top of my lungs
I'm giving it back

So I lay my head back down
And I lift my hands and pray to be only yours
I pray to be only yours
I pray to be only yours
I know now you're my only hope

(mmmmmm) (oooooooooh)
