Innocence is what I got
It'll take true love to hit the spot
Can't control my every move
When we're together we're in the groove
Don't care about your other girls
I'm the only one that rocks your world
Gonna hafta keep me satisfied
Because my innocence won't be denied

Baby it's real
So, so real
That I just can't explain the way
That it's making me feel
So, so real
Baby it's real
I just can't let ya go
Baby it's real
Keeps me hanging on
Baby it's real

My heart is under lock and key
Together we can set it free
Ain't no mountain that we can't climb
All you gotta do is take your time
Said I'm giving you my all and all
Be careful you don't slip and fall
It's my innocence that makes you yearn
For that perfect gift you can't return
Baby it's real
So, so real
That I just can't explain the way
That it's making me feel
So, so real
Baby it's real
I just can't let ya go
Baby it's real
Keeps me hanging on
Baby it's real
