Breaking Us In Two Lyrics

Don't you feel like trying something new  
Don't you feel like breaking out or breaking us in two  
You don't do the things that I do  
You want to do the things I can't do  
Always something breaking us in two

You and I could never live alone  
But don't you feel like breaking out  
Just one day on your own  
Why does what I'm saying hurt you  
I didn't say that we were through  
Always something breaking us in two

They say two hearts should beat as one for us

We'll fight it out to see it through  
I say that you won't be too much fun for us  
Though it's oh so nice to get advice it's oh so hard to  
do

Could we be much closer if we tried  
We could stay at home and stare into each other's eyes  
Maybe we could last an hour  
Maybe then we'd see right through  
Always something breaking us in two
