Yeah, everything about you baby
Common, yeah, common
Uh

One kiss, heaven isn't far
You're everything
My heart desires
Your love, has no missing parts
It's everything my heart desires
There ain't no one better for me
Everyday and night
Baby in my life
It's you
You're my front page story
Wanna tell the world
I'm in love with you boy, yeah
Can't believe it's real
Everything I feel
Baby, it's not too hard to conceal

One kiss, heaven isn't far
You're everything
My heart desires
Your love, has no missing parts
It's everything my heart desires
Yeah baby, yeah baby, ohhhh
Thought I'd be forever searching
I'm on an open road
I had nowhere to go, so I
Turn a page and I heard it
"Come and set me free
Send an angel to me"
And when you appear
Everything was real
I just can't believe that you're here

One kiss, heaven isn't far
You're everything
My heart desires
Your love, has no missing parts
It's everything my heart desires
The best thing, under neath the stars

You're everything
My heart desires
Don't change, stay the way you are
You're everything
My heart desires

Everything about you baby
Ohhh, yeah
One kiss, heaven isn't far
You're everything
My heart desires
Your love has no missing parts
It's everything my heart desires
One kiss, heaven isn't far
