I was a Daydream
Quiet and unseen
I lived in stories but inside I kept a mystery
I was a starling
Nobody's darling
Flying in perfect circles
Just for company

[Chorus]
And now I'm ready
And now I'm ready
And now I'm ready to be
Extraordinary

A midnight airplane
A window glowing
I know I am another sparkle in the sky
I shine on copper
Still undiscovered
But you must see me in the corner of your eye

[Chorus]
And now I'm ready
And now I'm ready
And now I'm ready to be
Extraordinary

Waking up to wake up some day
I am my own parade
Stopping off at a sidewalk cafe
The wind is playing in the trees
Kicking up confetti leaves
Sings as if it's all to say

[Chorus]
And now I'm ready
And now I'm ready
And now I'm ready to be

And now I'm ready
And now I'm ready
And now I'm ready to be
