could break your heart any day of the week.

I'll make this painless.

Try to be sweet.

I could break your heart any day of the week.

Squeeze life out of you.

Wrap you in sheets.

I could break your heart any day of the week.

I could break your heart any day of the week.

Monday, Tuesday, Wednesday.

I'll make you nervous.

Thursday, Friday, Saturday.

Do not disturb us.

Sunday rolls around- but that's another story.

It gets a little boring.

I could break your heart any day of the week.

I hold on to you.

You hold on me

I could break your heart any day of the week.

Let the walls talk.

Let the floor boards creek.

I could break your heart any day of the week.

Those calendar girls-- they got nothing of me.

I could break your heart any day of the week.

I could break your heart any day of the week.

Monday, Tuesday, Wednesday.

I'll make you nervous.

Thursday, Friday, Saturday.

Do not disturb us.

Sunday rolls around- but that's another story.

It gets a little boring.

Yeah-yeah.

Yeah-yeah.

Monday, Tuesday, Wednesday.

I'll make you nervous.

Thursday, Friday, Saturday.

Do not disturb us.  
Sunday rolls around- but thats another story.  
It gets a little boring.

I could turn you on.  
I could turn the other cheek.  
And it would break your heart any day of the week.  
And it would break your heart any day of the week.  
I could break your heart any day of the week.  
I could break your heart any day of the week.  
I could break your heart any day of the week.
