I'll make this painless.
Try to be sweet.
I could break your heart any day of the week.

Squeeze life out of you.
Wrap you in sheets.
I could break your heart any day of the week.

I could break your heart any day of the week.
Monday, Tuesday, Wednesday.
I'll make you loving.
Thursday, Friday, Saturday.
Do not disturb you.
Sunday rolls around- but that's another story.
It gets a little boring.
I could break your heart any day of the week.

I hold on to you.
You hold on me
I could break your heart any day of the week.

Let the walls talk.
Let the four walls creek.
I could break your heart any day of the week.
Those calendar girls-- they got nothing of me.
I could break your heart any day of the week.

I could break your heart any day of the week.
Monday, Tuesday, Wednesday.
I'll make you loving.
Thursday, Friday, Saturday.
Do not disturb you.
Sunday rolls around- but that's another story.
It gets a little boring.

Yeah-yeah.
Yeah-yeah.
Monday, Tuesday, Wednesday.
I'll make you loving.
Thursday, Friday, Saturday.
Do not you disturb you.
Sunday rolls around- but that's another story.

It gets a little boring.

I could turn you on.

I could turn the other cheek.

And it would break your heart any day of the week.

And it would break your heart any day of the week.

I could break your heart any day of the week.

I could break your heart any day of the week.

I could break your heart any day of the week.
